

Be Part of an Adventure with the Northland Sea Scouts

DO YOU LIKE: Boats? Sailing? Rowing? Swimming? Fishing?
Waterskiing or other Watersports?

DO YOU WANT TO LEARN ABOUT:

Engineering, Carpentry, Painting, Welding and other Trade Skills?
Knot Tying, Navigation and Seamanship?

WE DO ALL THESE THINGS AND MORE!

Come cruise with us aboard our 102 ft ship, the SSS Northland, a former Navy vessel. We have a great crew but we always welcome new members. The Northland Sea Scouts are open to young men, age 13-18.

WE MEET:

Tuesday nights 7:30-9:00 PM for training and planning, at our "landship" base and on Saturdays from 10:00 AM to 4:00 PM on the SSS Northland.

The landship and the Northland are located in the historic drydocks of Richmond Shipyard #3 across from 1319 Canal Blvd. (near the Red Oak Victory museum ship and right next to the steam schooner Wapama).

We are sponsored by the **Northland Nautical Foundation** (www.northlandnautical.org), a 501c3 nonprofit organization.
